"I chose Dr. John Silvius because of his intentional involvement in my life. Throughout the semester, he has remained truly concerned about not only my academic progress, but my personal and spiritual maturity. He efficiently works long hours outside of the classroom to make new material enjoyable and applicable. I truly appreciate the interest he holds for each one of his students and intend to make sure his efforts did not go unnoticed."

"Dr. Rick Martinez is a new faculty member in the business department. I have him for my Business Ethics course and have truly enjoyed his lectures and his desire to make all of his students think outside the box when it comes to ethical issues. He has truly been someone that has inspired me to live passionately and ethically according to God's Word, but also not be limited to just that, but to be brave and challenging on issues that I'm not so comfortable with. He has been a refreshing addition to the business department and I'm glad I have the opportunity to be one of his students. Oh and he's a fellow Texan from Baylor University...so we Texans like to stick together!!"
